Purpose & Background

For decades, numerous courageous survivors have spoken their truth and brought lawsuits related to the sexual abuse of children in the Catholic Church throughout Arizona. Survivors became plaintiffs in civil lawsuits and together with their attorneys were able to reveal secret Church records through the courts and civil litigation process. These lawsuits resulted in the release and disclosure of identities and histories of sexually abusive clergy and those engaged in sexual misconduct, and the release of documents and information reflecting the knowledge of institutions that covered up sexual abuse and misconduct.

The Anderson Report on Sexual Abuse in the Diocese of Phoenix contains the names of diocesan priests, religious order priests and other religious clerics associated with the Diocese of Phoenix, including those of whom were assigned within, working in, or living in the geographical boundaries of the Dioceses of Tucson and Gallup before the Diocese of Phoenix was formed in 1969, who have been accused of sexual misconduct with minors. While lawsuits were filed involving many of these alleged perpetrators, the vast majority of the claims against these individuals have been settled or have not been fully evaluated in a civil or criminal court. Accordingly, the allegations should be considered just allegations and should not be considered proved or substantiated in a court of law.

All individuals should be considered innocent until proven guilty. In some situations, the statute of limitations has expired preventing the cases from being heard in a court of law. It is believed that the Diocese of Phoenix does not make available to the public the full history, knowledge and context of the sexually abusive clerics within the Diocese. *The Anderson Report on Sexual Abuse in the Diocese of Phoenix* is an attempt to compile information already available to the public from various public sources including the public media, bishopaccountability.org, the Diocese's public statements, and other sources that have attempted to chronicle this information for public use. This Anderson Report is intended to raise awareness about the important issue of clerical sexual abuse, provide the public with vital information including assignment histories, and provide awareness to survivors. The assignment histories provided are approximations which were compiled from the *Official Catholic Directory, BishopAccountability.org*, statements attributed to Diocesan and Religious officials, Diocesan and Religious records, and media reports.[1]

[1] *The abbreviation in parenthesis following each assignment indicates the Diocese the individual was working and/or residing in at the time of the assignment.*

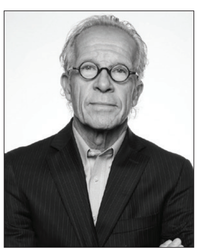

Supporting Phoenix Sexual Abuse Survivors for Years

Jeff Anderson & Associates, P.A.

Jeff Anderson & Associates pioneered the use of civil litigation to seek justice for survivors of childhood sexual abuse. The attorneys have advocated for survivor rights across the country for many decades, having filed their first lawsuit on behalf of a child sexual abuse survivor in the early 1980s. In addition to seeking legal accountability, the firm has supported survivors of abuse by bringing public awareness to the cause and they have testified before numerous state legislatures endorsing reforms to the statute of limitations. Through its work, Jeff Anderson & Associates seeks to bring hope, healing, accountability, and justice to survivors of sexual abuse.

In most cases, childhood sexual abuse goes unreported or victims/survivors break their silence many years after the abuse occurs. While there are many legal barriers to prosecuting those responsible for the abuse, our firm has worked to overcome these barriers for more than 30 years. As pioneers of child protection through civil litigation, we are aggressively committed to this cause and capable of handling the most complex legal issues in courts across the United States.

We are smart, tough, and relentless, but the virtue that ultimately sets us apart is our compassion. We are people who feel deeply and work tirelessly in response to an unjust world. We have a reputation for being the best at what we do and that begins and ends with our ability to support, protect, and guide survivors along their journey toward justice and healing. As sexual abuse lawyers we have represented thousands of survivors of sexual abuse against individual offenders and the intuitions that harbor these offenders. We are engaged with a national network of attorneys who share our mission, and when we take a case, we exhaust every imaginable resource in order to serve our clients' needs.

Abuse in the Diocese of Phoenix

The Anderson Report on Sexual Abuse in the Diocese of Phoenix is intended to be a chronology and analysis of the sexual abuse of children within the Diocese of Phoenix, including a discussion of how the highest Church officials enabled the abusers and covered up crimes of sexual misconduct and abuse.

The data reveal the horrifying scale of priests sexually abusing minors from early history, when the Diocese of Phoenix was included within the Dioceses of Tucson and Gallup before it was formed in 1969, to the present day. The data collected suggest the patterns and practices of Church officials, including the orchestrating of an institutional cover-up. Perhaps most shocking among the discoveries is that some perpetrators were transferred and retained in trusted positions with direct access to children even after they were alleged to be abusers. Modern means of analysis and availability of data through the Internet and social media is exposing perpetrators who operated in the geographical boundaries of this Diocese, but until full transparency and accountability exist, children remain in grave danger.

Historically, the Diocese of Phoenix, like many other dioceses and archdioceses, knew of priests who were perpetrators and posed a significant danger to children. The sexual abuse of children has long been a crime in Arizona. However, Church officials chose and continue to keep these crimes hidden, allowing their priests continued and unfettered access to children. During the 1980s and 1990s, occasional bits of information about clerical abuse surfaced, but the Church's strict policy of secrecy kept most of the information and full extent of the problem hidden from the public. This has continued despite mandated reporting laws.

History of the Diocese of Phoenix

The Diocese of Phoenix was established by Pope Paul VI on December 2, 1969. Prior to that establishment, the parishes, schools and other institutions within the Diocese of Phoenix were part of either the Diocese of Tucson or Diocese of Gallup. Edward A. McCarthy was appointed the first Bishop of the Diocese of Phoenix, serving from 1969 to 1976.

James S. Rausch was Bishop of the Diocese of Phoenix from 1977 to 1981. Thomas J. O'Brien, who previously served as Vicar General for the Diocese, was Bishop of the Diocese of Phoenix from 1982 to 2003. In 2003, after a Maricopa County Grand Jury investigation of Bishop O'Brien and the Diocese of Phoenix regarding clergy sexual abuse in the Diocese, Bishop O'Brien admitted that he covered up for sexually abusive priests. According to the investigation, he admitted that he allowed priests under his supervision to work with minors after he became aware of sexual abuse allegations and that priests accused of sexual misconduct were transferred to other assignments where children could be victimized without disclosing the priests' dangerous propensities to their new assignments.[1] The Maricopa County Attorney's Office noted that the grand jury uncovered evidence that Bishop O'Brien "failed to protect the victims of criminal sexual misconduct of others associated with the Roman Catholic Diocese of Phoenix." *Id.*

AGREEMENT

PARTIES

This Agreement is entered into this 3rd day of May, 2003, by and between the State of Arizona, ex. rel. Richard M. Romley, Maricopa County Attorney; Thomas J. O'Brien, Bishop of the Roman Catholic Diocese of Phoenix and the Roman Catholic Diocese of Phoenix, a corporation sole ("the Diocese").

DEFINITIONS

For purposes of this agreement, the following definitions apply:

"Priest" means any Diocesan priest, or any priest who is a member of a separate order.

"Diocesan Personnel" means the Bishop, any priest, nun, seminarian or deacon, and all employees and volunteers who perform any type of service or work for the Diocese, whether clergy or layperson.

INTRODUCTION

A Maricopa County Grand Jury is investigating and considering information relating to criminal sexual misconduct by diocesan personnel including, but not limited to, the criminal conduct of individual priests. The grand jury has also been investigating whether Thomas J. O'Brien or the Diocese failed to report to law enforcement authorities criminal sexual misconduct by priests and other Diocesan personnel, and whether Thomas J. O'Brien or the Diocese placed or transferred priests or other Diocesan personnel in or to a position to commit additional criminal conduct after becoming aware of prior criminal conduct.

Since 1961, Thomas J. O'Brien has been an ordained priest of the Roman Catholic Church. In 1969, Thomas J. O'Brien was appointed Chancellor of the Diocese. In 1978, Thomas J. O'Brien was appointed Vicar General of the Diocese. In 1981, Thomas J. O'Brien was appointed Bishop of the Roman Catholic Diocese of Phoenix. In that capacity, he assumed the responsibility of administering, supervising and overseeing the operation of the Diocese.

Original Document #1 of 2

5. The Diocese, in conjunction with the Maricopa County Attorney's Office, shall implement a training program to educate Diocesan personnel on sexual misconduct issues, including the Mandatory Reporting Law (A.R.S. § 13-3620), and Maricopa County's Multidisciplinary Protocol for the Investigation of Child Abuse. The Maricopa County Children's Justice Project Team will be invited to conduct regular and ongoing training of all Diocesan personnel, including the training of Diocesan school personnel.

6. Thomas J. O'Brien shall, in a written public statement which is incorporated at Tab A, acknowledge that he allowed Roman Catholic priests under his supervision to have contact with minors after becoming aware of allegations of criminal sexual misconduct. He shall further acknowledge transferring offending priests to situations where children could be further victimized. In addition, Thomas J. O'Brien shall apologize and express contrition for any misconduct, hardship or harm caused to the victims of criminal sexual misconduct by Roman Catholic priests assigned to the Roman Catholic Diocese of Phoenix.

7. The Diocese will make a contribution to the Maricopa County Attorney's Victim Compensation Fund (Victim Assistance Fund, A.R.S. § 41-2408) in the sum of Three Hundred Thousand Dollars ($300,000.00) within fourteen (14) days of the execution of this Agreement. These funds shall be used to compensate child victims of criminal sexual misconduct.

8. The Diocese will allocate a total of Three Hundred Thousand Dollars ($300,000.00) of funds received by the Diocese for counseling of those victimized by child sexual abuse. The allocation shall be made at a rate of One Hundred Thousand Dollars ($100,000.00) per year from the signing of this Agreement. It may be accelerated at the discretion of the Diocese.

9. Within 180 days of the signing of this Agreement, the Diocese shall create a Victim Assistance Panel. It will be a three-person panel composed of established and respected mental health professionals. This panel will consider requests from persons who indicate that they are victims of sexual misconduct by Diocesan personnel for counseling assistance for the victim and the victim's immediate family. This process will be available to all victims of sexual misconduct, including those persons whose legal claim for sexual misconduct are foreclosed by the statute of limitations, and those persons who have entered into binding settlement agreements, but now find that those settlement agreements were inadequate to address unforeseen impacts of their victimization. The panel will have the authority to approve requests for counseling. Approved requests for counseling would result in payment of counseling fees and costs to qualified treatment providers of up to Fifty Thousand Dollars ($50,000.00) per any one victim and that victim's family, over the victim's lifetime.

10. The Diocese and the Maricopa County Attorney's Office will host a summit meeting on sexual abuse within twelve (12) months following the execution of this Agreement. The cost of the summit will be borne by the Diocese. Both the County Attorney and the

Diocese may invite anyone to attend the summit. The purpose of the summit is to provide a forum for exchange of information on sexual abuse and the responsibility of public and private employers and others to identify and appropriately deal with these issues.

11. One Hundred Thousand Dollars ($100,000.00) shall be paid by the Diocese to the Maricopa County Attorney's Office as reimbursement for investigative expenses. The sum shall be paid within fourteen (14) days of execution of this Agreement.

12. The State of Arizona agrees not to initiate criminal charges against Thomas J. O'Brien or the Diocese arising out of information relating to the subject matter of this investigation for acts occurring on or before the date of the execution of this Agreement with the following exception: If information is forthcoming of personal, direct involvement of Thomas J. O'Brien in any act of criminal sexual misconduct, then charges shall not be precluded. This Agreement shall not preclude the Maricopa County Attorney's Office from prosecuting any other individual for criminal misconduct.

13. To protect the integrity of on-going investigations and not impede the conclusion of those investigations, this Agreement and its terms shall be kept confidential to be disclosed at the discretion of the Maricopa County Attorney's Office. Upon a decision of the Maricopa County Attorney's Office to disclose this Agreement and its terms, it is acknowledged that this Agreement will be a public document and the parties to the Agreement are free to hold separate and distinct public announcements and to supply supplemental information and to respond to questions posed by the media or members of the public except as prohibited by law.

14. In the event of any material breach of this Agreement, by Thomas J. O'Brien or the Diocese, as first determined by the Maricopa County Superior Court after notice and a hearing, this Agreement shall be rendered null and void and the State of Arizona shall have the right to pursue any and all remedies provided by law including, but not limited to, initiation of criminal proceedings. If Thomas J. O'Brien or the Diocese breaches this Agreement and the State files criminal charges, Thomas J. O'Brien and the Diocese agree that any applicable period of limitation is tolled from the effective date of this Agreement until the date on which the Agreement is rendered null and void.

STATEMENT OF BISHOP THOMAS J. O'BRIEN

I acknowledge that I allowed Roman Catholic priests under my supervision to work with minors after becoming aware of allegations of sexual misconduct. I further acknowledge that priests who had allegations of sexual misconduct made against them were transferred to ministries without full disclosure to their supervisor or to the community in which they were assigned. I apologize and express regret for any misconduct, hardship, or harm caused to the victims of sexual misconduct by Roman Catholic priests assigned to the Diocese.

TAB A

During the course of the grand jury's investigation, to this date, no credible evidence has been received that would establish that Thomas J. O'Brien personally engaged in criminal sexual misconduct. However, the investigation developed evidence that Thomas J. O'Brien failed to protect the victims of criminal sexual misconduct of others associated with the Roman Catholic Diocese of Phoenix.

This Agreement is executed upon the conclusion that the public interest would be best served by settling the matter without criminal prosecution of Thomas J. O'Brien or the Diocese. The following terms, representations, and conditions will insure that the Diocese complies with all applicable laws relating to criminal sexual misconduct by its agents, representatives, or employees. The following terms, representations, and conditions will contribute to the well-being of the community at large by offering counseling to victims of criminal sexual misconduct, reimbursing the State of Arizona for certain costs expended during the course of this investigation, and assuring compliance by the Diocese with all applicable laws relating to sexual misconduct.

THEREFORE, it is hereby represented and agreed that:

1. Bishop Thomas J. O'Brien has appointed a Moderator of the Curia. The Moderator of the Curia is a canonical position equivalent to "chief of staff". Certain administrative duties have been delegated by Thomas J. O'Brien to the Moderator of the Curia, which shall include the responsibility for dealing with issues that arise relating to the revision, enforcement and application of the sexual misconduct policy.

2. The Diocese has created and appointed the position of Youth Protection Advocate. That person shall be responsible for the implementation and enforcement of the policy on sexual misconduct by Diocesan personnel. Under the Diocesan policy, all Diocesan personnel, including the Youth Protection Advocate, are required to comply with all applicable federal, state and local laws regarding the reporting of incidents of actual, alleged, or suspected sexual misconduct without restriction. The decisions of the Youth Protection Advocate to report allegations of child sexual abuse to Child Protective Services or law enforcement is to be made by the Youth Protection Advocate independently and not subject to the consent of Thomas J. O'Brien, or any other Diocesan personnel.

3. With input from the Maricopa County Attorney's Office, a special counsel will be employed within sixty (60) days of the signing of this Agreement. This attorney shall be counsel for the Youth Protection Advocate. This special counsel's advice will not be subject to approval by anyone within the Diocese including, but not limited to, Thomas J. O'Brien or any other priest.

4. The Diocese's Policy on Sexual Misconduct is to be reviewed and modified. The Maricopa County Attorney's Office and the public shall be offered the opportunity to provide input prior to any adoption and/or revision of such policy.

* This list does not include the names of the Diocese of Phoenix priests and deacons who were deceased at the time an allegation of abuse was reported. The decision not to include the names of deceased clerics is because they were accused after their death and therefore no canonical proceedings were able to take place. This does not mean that the Diocese of Phoenix did not find claims of particular survivors who accused those deceased clerics to be credible or compelling. The Diocese has provided or offered counseling and other support services to those survivors.

Alamaguer was included in the Franciscan Friars Province of Saint Barbara's *"List of Franciscan Friars from the St. Barbara Province with Credibly (sic) Claims of Sexual Abuse of a Minor"* in the section *"Former Province of St. Barbara Friars who have been Credibly Accused who have Left the Order."* According to this list, a report was made in 1979 alleging that Fr. Alamaguer sexually abused a minor in approximately 1978. The Franciscan Friars' list also states that Fr. Alamaguer returned to the Mexico Province in 1979. Fr. Fr. William G. Allison

Ordained, 1948

Notes: Fr. William G. Allison has a storied history of child sexual abuse, having been accused by numerous individuals in Arizona, New Mexico, Louisiana, and California. The full extent of Fr. Allison's sexual abuse was not uncovered until 2011 when a man filed a lawsuit claiming he had been sexually abused as a child by Fr. Allison at Catherdral of San Carlos Borromeo in Monterey, California in approximately 1966. A file related to the lawsuit alleged that Fr. Allison was a known serial predator and there was documentation that he underwent treatment for his "psychosexual disorder" at Servants of the Paraclete, an institution known for treating priests accused of child sexual abuse. Despite all of this, Fr. Allison was still allowed to work in the Diocese of Monterey, where he purportedly continued to sexually abuse children. Due to a ruling on the statute of limitations, the case was dropped. In 2013, Fr. Allison was included in a civil lawsuit, which has since been settled, brought against the Diocese of Gallup for allegedly covering up child sexual abuse.

In 2005, Fr. Allison was named on the Diocese of Gallup's *"List of priests, religious and other persons who have been credibly accused of sexual abuse of minors and who have served in parishes or institutions of the church located within the territorial limits of the Diocese of Gallup."* The Diocese of Gallup published an updated list in which Fr. Allison is named again, titled *"The following is a list of clergy identified by the Diocese of Gallup as having credible allegations of sexual misconduct made against them."* In 2019, Fr. Allison was named on the Diocese of Alexandria's list of, *"Clergy duly incardinated or at one time serving in the Diocese of Alexandria accused of sexual misconduct and abuse of minors by allegations brought by victims or by written testimony."* Fr. Allison is also named on the Diocese of Monterey's *"List of Credibly Accused"* in the section *"Credibly accused Clergy previously released or in the public domain who were working in the name of the Diocese of Monterey when the alleged abuse occurred."*
